CONSTRUCTION STARTED TUESDAY AT FRANKFORT COMMUNITY PARK

Apply for Permit to Charge Dime For Public Phone Calls

Illinois Bell today asked the Illinois Commerce Commission for permission to increase the five-cent public telephone call to ten cents. There will be no increase in basic rates now in effect for residence customers or for flat rate or message rate business customers and no increase in long distance or suburban toll rates. Minor changes are proposed in a few instances other than the public call rate.

G. K. McCorkle, president of the company, said, "This action would end the 1948 rate case litigation and carry out the decision of the Winnebago County Circuit Court at Rockford, avoiding further expensive proceedings which have already been in process for nearly a year. We consider the new tariffs consistent with the Court's recent decision that the company was entitled to more revenue from 97% of the company's telephones will not be affected by the new rates."

"The company will net about \$250,000 after taxes and other expenses. This is a compromise between the amount granted by the Commission in 1949 and the amount requested by the company two years ago," McCorkle stated. The increase was filed to be effective on thirty days' notice.

Under today's filings five-cent calls from all Bell public pay stations, telephones and semi-public pay phones in Illinois would be increased to ten cents a call. There are approximately 48,000 such phones in Chicago and 17,000 in the rest of Illinois. Bell territory in the state, out of the company's 2,500,000 total.

In Mokena there are 5 such phones out of a total of 385; in Frankfort 9 out of a total of 570; in New Lenox 10 out of a total of 742; in Tinley Park 13 out of a total of 1184; and in Orland Park 18 out of a total of 602.

While the bulk of the increased revenue will come from the public telephones, the new tariffs also provide for increases in service connection, move and change charges. All of these are one-time charges, applicable to those ordered telephones installed or moved. This charge will result, the company stated, in those persons bearing a fairer share of the actual cost incurred in installing or moving a telephone.

Another change affects about 20,000 business users in Chicago whose regular service is of the business coin box variety (not public coin). The number of calls included in the guarantee for 1-party business coin box customers is reduced so as to be consistent with the new public and semi-public coin rates. The charge for additional calls over those included in the guarantee is increased for both 1 and 2-party business coin box customers.

The ten-cent rate for public telephone calls has been authorized in the states of New York and Minnesota and parts of South Dakota and is pending in several other states.

SCHOOL PRINCIPALS AT MEETING

Mrs. Albert Cappel, principal of Mokena public school, and Miss Viola Lankenau, principal of the Frankfort public school, attended the Illinois Elementary School Principals association meeting at Crystal Lake last Wednesday.

DUNN WINS IN MATTOON

The many friends of Gerald Dunn, former principal of Mokena schools, will be pleased to learn that he was the successful candidate for County Superintendent of schools at Mattoon, in Tuesday's election.

Mokena Student Preaches First Sermon in Mokena

At the evening service in the Mokena Methodist church Sunday evening, Joseph Howell, known to his many Mokena friends as Joe, preached his second sermon. His first sermon was a few weeks ago at World Communion Sunday.

The service opened the week of Prayer and Self Denial and the pastor Rev. Robert Prater was in charge and spoke on Self Denial. Joe, the 21 year old son of Mr. and Mrs. Ralph Howell of Mokena is studying for the ministry at DePaul university in Chicago, where he is an apt student. He is also a teacher in the Methodist Sunday school. His many friends hope for his success in his calling.

Mr. Howell Sunday night spoke on Prayer stating it was the key to the Christian life. And because many people today have thrown away the key to effective living and in the turmoil of these trying days are looking to the church for help. The speaker said that people must get on their knees in a sensible manner for the help which they are needing.

History was made in Frankfort Tuesday, not because a heavy Republican vote was cast, but because ground was broken that day for the first construction at the new Frankfort Community park. A large Caterpillar earth moving machine under the supervision of Brown & Lambrecht, a Frankfort concern, started leveling ground for the baseball diamond. This will be ready for the first games next spring.

This caterpillar scoops and holds 18 yards of earth at one time. It will also do the grading at this time for the one road, a circular drive, that will be in the new park.

Dr. James Moser, president of the Frankfort Community Development corporation which is managing and founding this new park, stated today that they have received two splendid donations for the park this week. Ralph Dralle and Clarence Klepper of Frankfort each donated 1000 multiflora rose plants which will be planted Saturday on the south and west sides of the park and will serve as a fence and border.

HOBBY CLUB SHOWS PUPPETS

The Hobby club of the 5th and 6th grades of the Mokena Public school has elected the following officers: president, Ronald Knakmuhs; vice president, Roger Swart, secretary, George Butler.

The meetings are held every two weeks and each week a hobby is exhibited. Pupils who have displayed their hobbies are:

Shelia Bennett, coins; Richard DeForest, post cards; Tommy Dunham, coins; Teddy Dunham, stamps; Dick Hamilton, models of transportation.

Donald Lehmann was a guest on the Carnival of Books program on radio station WMAQ Saturday, October 7 at the Merchandise Mart in Chicago. Donald was one of the children who interviewed Leon Wilson author of "This Boy Cody".

Donald's biggest thrill was to have his personal copy of the book autographed by Mr. Wilson. Roger Swart, Barbara and John Duerr accompanied Donald and his mother, Mrs. Lehmann to the radio station.

The rest of his classmates enjoyed listening to the program at home. The Orioles have won the Early Bird breakfast contest in the 5th and 6th grade room. The team consisted of John Duer, Dick Hamilton, Ronald Knakmuhs, Randall Potter, Leonard Hemmrich, Delbert Yunker, Donald Lehmann, Kenneth Burgess and Kenneth Oldendorf.

Much interest was created in puppets in the same room when Tommy and Teddy Dunham brought their puppets and stage to school. After they had redecorated their stage, they presented a play to their class mates. They wrote their own play which was entitled, "Trouble at the Circus". Shelia Bennett assisted them as stage manager.

"The Halloween Prank" was the title of the puppet play presented to the four lower grades. The puppeteers were Ginger Steele, Shelia Bennett, Penelope Spiewak, Dick Hamilton, Shirley Kule and Teddy Dunham. The chorus, accompanied by Linda Sue Powers and Donald Lehmann on their violins, was composed of Joan Teague, Richard DeForest, Leonard Hemmrich, Susan Benson, Gladys Rinke, Kathryn Cooper and Carol Hohenstein. Tommy Dunham was stage manager.

The following 5th and 6th grade pupils have read and reported on one or more books: Shelia Bennett, Richard DeForest, Teddy Dunham, Tommy Dunham, Linda Sue Powers, Carol Hohenstein, Dick Hamilton, Gladys Rinke, Leonard Hemmrich, Penelope Spiewak, Robert Yunker, Patricia Boleman, John Duer, Caroline Holm, Shirley Kule, Joan Larimore, Jacqueline McGinnis, Jeanne Schiek, Mary Stahl, Ginger Steele, Joan Teague and Doris Yunker.

Jolly Troopers 4H Club Elects Officers

The first 4H meeting of the Mokena Jolly Troopers met Saturday afternoon in the home of Doris Yunker.

Results of the election of officers are: president, Geri Smego; vice president, Marilyn Cooper, secretary, Frances Bajarinas; publicity Violet Teske and Doris Yunker, and recreation, Dolores Cooper.

The leisure project will be carried on during the winter. Other projects will be cakes, thru the Eyes of an Artist, table covers and cookies.

Joyce Schiek and Dorothy Kohl are the leaders of the Jolly Troopers.

The next meeting will be Saturday afternoon December 1 in the home of Violet Teske.

New Lenox 4H Girl A State Winner

Rosemary Archibald daughter of Mr. and Mrs. Ivan Archibald of New Lenox, has been named state winner of the National 4-H leadership contest.

Announcement of this high honor will be made at the annual 4-H Achievement Day at the Farragut school tomorrow evening, November 10 at 8 o'clock.

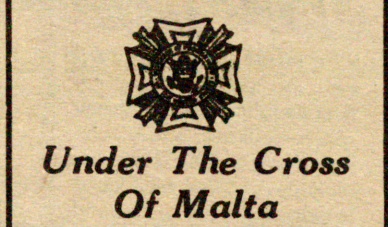

Rosemary was selected for this award because of her outstanding over-all record of achievement in county and community leadership, as well as other 4-H activities. Selection was made by a committee of farm advisers and assistants and the state 4-H club staffs.

Rosemary is 19 years old and a senior in Home Economics at the University of Illinois. She has just completed nine years of 4-H club work and six years as a junior 4-H leader in the New Lenox Cardinals club. She is at present, leader of Busy Hour club. This long record of junior 4-H club leadership in the New Lenox community helped in her college work. At the University of Illinois Rosemary was awarded membership in the following honorary organizations as a result of scholarship and activities: Alpha Lambda Delta, freshman year; Torch, Sophomore year; Omicron Nu, National Honorary Home Economics society. She resides in the 4H house on university campus. Vice President of WGS (Women's Group System) is treasurer of the house.

In her county Rosemary was active in the Will County Rural chorus, and 4-H federation. Rosemary's outstanding project work has been done in clothing. Four times she has been sent to State Fair to model a garment. Once her garment went to the Fair a winner in construction exhibit class.

Home Advisor, Betty Wingrove says that Rosemary's enthusiastic attitude toward the entire 4-H program and her ability to transmit this enthusiasm to others has been a unique contribution to 4-H club work in Will county.

Rosemary's record will be submitted for National honors and she will be awarded a gold watch as a result of her winning this State of Illinois contest.

Tuesday evening, October 31, the Wm. Martin Post VFW entertained the youngsters. By actual count, there were 107 in the snake dance. Many others did not take part so we judge that there were at least 150 present.

Doing something like that makes a person feel good inside and the older boys had a good time too. I know that Comrades Peterson and Steinhagen were enjoying themselves.

Why not carry this sort of thing just a bit farther. How about a hay ride or a scavenger hunt? There are many things we can do, and I know the town's people will back us up, and believe me, the kids are worth it.

Saturday came in blustery and cold, so I did not work at the cemetery as promised. The grass was wet and the wind was blowing a gale, so I think the project will have to wait until spring. It will not be forgotten, however.

Thursday, Nov. 9 will be the regular meeting night. Every meeting is going to be an important one and it is heartening to see more members becoming active. We are still working to get 100% paid up membership by Dec. 31.

Saturday, Nov. 11 is a date for all dance lovers to remember. A good band has been engaged and everything is being done to ensure a good time for all. The Auxiliary will again be present to serve sandwiches and coffee.—Eino Saarela, publicity.

Marley Church Group to Give Play

"Good Old George" is a one act play which will be presented in the Marley church Friday night, November 17 by the Freeman Fellowship. The play has been under the direction of Mrs. William Bingham. The program, which will begin at 8 p.m., will also include other entertainment. A free will offering will be taken and refreshments will be sold.

of pure bred Holstein dairy cattle at the Superant sale at Kankakee last week, and are going into the pure bred business.

Their present herd of 66 high grade Holsteins will be sold at auction on Saturday, November 11. An advertisement of the sale appears in this issue.

ORLAND FIRE FIGHTERS PLAN H'D TIME PARTY

The Orland Park Volunteer Fire department will sponsor their annual "hard time dance", Saturday, November 18, at Goodings Grove hall, 143rd and Bell road, near Orland Park. A good time has been planned and Dale Swanson's orchestra will furnish the music.

Remember— "The fireman who volunteers . . . is he who works all day . . . and wants to serve his neighborhood . . . without reward or pay . . . who always is available . . . to jump right up and go . . . or fire whistles bells ring out . . . or fire whistles blow . . . He braves the blaze and fights the smoke . . . with all his energy . . . to save as much as possible . . . of life and property . . . and whether flames are quickly quenched . . . or only ruins stand the volunteer will linger there . . . to lend a helping hand . . . He does not look for credit . . . or a medal on his chest . . . but he would be a neighbor true . . . who tries to do his best."

Visitors Invited To Local School For Open House

This is Education Week! Every parent is invited to the school at least once during this week.

We are happy to welcome the following new pupils to our school: Verda Schanz, Patricia Ann Smith, and Carol Ohse Fasset.

The third grade worked out a unit about Indians which they presented as a program to the first, second and fourth grades. As a part of the recognition of American Education Week, we will again present this program for the mothers, Thursday, 2:30 p.m. November 9. Second graders will also make a demonstration of some of the things studied during the first quarter of school.

STEELE-PITMAN NUPTIALS WED.

Mrs. Florence B. Steele of Mokena and Mr. William H. Pitman, of Lockport, were united in marriage Wednesday afternoon, November 8 in the parsonage of the Manhattan Methodist church.

The pastor Rev. Robert Prater, who is also pastor of the Mokena Methodist church, officiated. There were no attendants.

Mrs. Pitman is well known in this area and Mr. Pitman has become known here also. They will live in the bride's home in Mokena. Many friends wish them many years of happiness.

Mrs. Pitman assists in the editorial department of the Semmler newspapers several days each week.

Lutheran Services Are Well Attended

The hundredth anniversary services of the Immanuel Lutheran church, of Mokena, held Sunday, were attended by about 400 persons, among them several former pastors. The church had been newly decorated and the work was done with festival preludes, Op. 82 and Op. 87 by Volkmar; offertories by R. M. Stults and J. L. Hall; and postludes by Bach and Stultz. The pastor also directed the choir whose beautiful songs added much to the program. Both services were recorded by Mr. Hahn, of Chicago Heights.

Rev. Arthur A. Braun, first vice president of the North Illinois District spoke in the afternoon. In the

signed by Ernest Bruss, of Palos Park, who has offices in Chicago. Mr. Bruss, who is a master decorator, received his training in Germany. He uses his own designs and these just once, after which the patterns are destroyed.

A new kneeling bench and pulpit rail are the work of George Bitterman of Joliet. Two flood lights have been installed to light the sanctuary.

The pastor, the Rev. A. W. Gode, who is a talented musician, played the organ during both services,

Home Bureau Board And Chairmen Meet

To take advantage of an afternoon meeting the executive board of the Home Bureau met on the morning of Oct. 31st. The usual business was transacted with a report read by Mrs. Frank Goodwin on the membership meeting for county vice chairman at Yorkville.

Announcement was made by Mrs. George Phillips Jr. of the 4H annual county achievement day November 10th at the Farragut school at 8 p.m. when the 4H girls will receive honors earned during the year. The public is invited.

Mrs. Earl Keniston gave the date of the IAA annual meeting which is Tuesday, Nov. 14 at the Hotel Sherman in Chicago. At this full day meeting all women are invited to attend the women's conference.

Miss Gertrude Kaiser of the Extension Service was present to give Executive Board training. At the end of her talk the meeting adjourned.

Miss Gertrude Kaiser, the featured speaker at the Vice Chairman's meeting, spoke on membership to the Home Bureau.

Ways of obtaining a larger membership were discussed, also the benefits derived from Home Bureau.

Mrs. Frank Goodwin presided during the business session at which time a point system, to encourage membership and participation, was worked out. By this method the Unit having the greatest number of points at the end of the year will receive an award. A 20% increase in membership will also give the Units a place on the honor roll of the Illinois Home Bureau Federation. Seventeen Unit vice chairmen attended. At the conclusion of discussions the meeting was adjourned.

Mokena JTHS Girl On Program at Big 3 Press Conference

Miss Audrey Niethammer of Mokena, a journalism student at the Joliet township high school, in the sophomore class, was chairman of a committee during the Big Eight Press conference.

The conference was held in the Joliet high school Saturday, November 4 with high school journalists attending from East Aurora, West Aurora, LaSalle-Peru, East Rockford and Freeport, as well as print shop and art students, publicity chairmen from the JT organizations and Junior college journalists.

Miss Niethammer was chairman of the round table discussing the financing of the yearbook. There were five other round table discussions.

Prof. Horace Coon of the Medill School of Journalism at Northwestern university spoke at the noon luncheon on "Future Opportunities for High School Journalists."

Wins Scholarship In 4H Contest

Dorothy Kohl, 18 year old daughter of Mr. and Mrs. Lawrence Kohl, Mokena, has been named a winner of the Northern Illinois Better Methods contest and the recipient of a \$200.00 scholarship.

Dorothy is at present attending Joliet Junior college, a freshman. She has completed seven years of 4-H club work and four years as a junior leader of the Mokena Jolly Troopers.

During her high school career, Dorothy was sponsor of the Joliet Township High school band. In this capacity, she traveled to Washington last June with the band.

In 1949, Dorothy was named the county winner of the Northern Illinois contest for Better Methods and awarded a \$50 bond. This year her suggestion applied to her Room Improvement project and concerned the organization of supplies and equipment needed for the Art of Flower Arrangements. Dorothy is a member of the county five-year Room Improvement plan.

Dorothy is also an outstanding 4-H club member for her clothing project work. She has appeared at state fair for the past three years on the merits of her clothing work. She is a leader in her county. In 1949 she was president of the 4-H Federation and this year she holds the office of recreation chairman. Dorothy is an accomplished pianist and presides at many county activities in this capacity. She attended State Junior Leadership camp this past June at State Memorial camp, Monticello.

V. F. W. Aux. News

The regular meeting of the Ladies Auxiliary to Wm. Martin Post 725 was held in the Vet's hall on Thursday evening, November 2.

Mrs. Grace Koppelman, hospital chairman, reported that 85 men and women were served at the Binggo party given for them at Kankakee State hospital last month. In the past we have had between 75 and 85 veterans attending these parties, however a number of the men have been transferred to the new Government hospital at Jacksonville. A dinner party is being planned for the first week in December when the following committee will assist Mrs. Koppelman: Mrs. Maude Larson, Mrs. Mathilda Stankus, Mrs. Louise Hentsch, Mrs. Alma Peterson, Mrs. Evelyn Sarrela, Mrs. Frances Robinson and Mrs. Bertha Ziesemer.

Refreshments will be served at the Armistice Day dance by the following committee: Mrs. Stankus, chairman, Mrs. Saarela and Mrs. Koppelman.

Family Night at Frankfort Church

The first "Family Night" gathering will be held in the Frankfort Methodist church, Friday night, November 10. A pot luck supper will be served at 6:30.

At the program starting at 8 o'clock the Rev. Lawrence Axelson, of the Bethany Methodist church will speak and lead in inspirational community singing. He is the Director of the Rock River Conference chorus. Everyone is welcome.

W. J. Naylor, Jr., of Geneva, Ill., will talk on the missionary program of the church and show films taken at different institutions in action. All members and friends are invited to come and enjoy a social evening.

Blind Preacher to Speak in Frankfort

TURKEY DINNER NEXT SUN. A turkey dinner will be served by the Altar and Rosary society and Men's Holy Name society of St. Jude's Catholic church in New Lenox on Sunday, November 12 in the new school hall. Serving will begin at twelve o'clock noon, and continue until all are served. There will be games and prizes during the entire afternoon. Mrs. Ione Zussag is chairman in charge of the arrangements for the dinner.

Mrs. Alice Archibald is chairman in charge of the kitchen; Mrs. Bessie Surges and Mrs. Margaret Carnahan are in charge of the dining room. Proceeds from this dinner and party will be used toward the new school debt. Various kinds of home made pies will be served.

In Tuesday's election, the Republican party gained more victories than they have in the past many years. It was a true indication that "The People Spoke."

There were many surprises: It was never thought that Senator Tydings of Maryland would be defeated in his re-election. Senator Tydings, it will be remembered, was the man who opposed Senator McCarthy of Wisconsin in the latter's try to purge the Communists from the state and national offices. His opponent, John Marshall Butler, was the winner.

In Ohio, where a strong force of Democrats and organized labor were united against Senator Robert Taft, he won by the largest plurality he has experienced during his many years as senator, according to the returns by time we went to press.

Another big surprise came when the Republican candidate for sheriff in Cook county, John E. Babb, was the winner with a large plurality.

Both parties claimed the victory before election for the United States Senator. For a long while it was a close count with Senator Lucas ahead when the Cook county votes were available. Everett Dirksen, the Republican candidate for the same office, made a good showing in Cook county, but when the final votes from down state and outside Cook county came in, Dirksen was the winner.

Locally we give the returns in just the straight and split votes.

In New Lenox, a total of 2204 votes were cast. Precinct one, Republican 603, Democrat 363 and splits, 81. Precinct two, R. 634, D. 361 and splits, 109. New Lenox gave Dirksen 950 votes, Lucas 312 Overby 1009 and Grohar 257.

Frankfort: R. 477, D. 121, splits 146, total votes 744.

Mokena: R. 496, D. 85, splits 128, total 719, making a total for Frankfort township, 1463.

Homer: R. 306, D. 106, splits 116, 1 prohibition and 1 spoiled, total 530.

Orland Park: precinct one, R. 207, D. 83, splits 68, total 358. Precinct two: R. 293, D. 61, splits 40, total 394. Precinct three: R. 169, D. 61, splits 41, total 271. Total for Orland township 1023.

Tinley Park: Three precincts which are numbered according to the precincts in the township: Tinley's Precinct 9, R. 330, D. 63, splits 74, 5 votes spoiled, a total of 468. Tinley's precinct 11, R. 245, D. 47, splits 70, one prohibition vote and two spoils, total 365. Tinley's precinct 21, R. 176, D. 52, splits 182, total 410.

Total votes cast in Bremen township were 9633 of which 4099 were Republicans, 3367 Democrats, and 2080 splits.

In Will county, where a strong battle was on for the office of county clerk, the incumbent Joseph H. Hartley won with a large majority, and in another big battle for sheriff, Overby won with a large majority over Grohar, the Democratic candidate.

Fred Busby, who had a hard fight in the third district for Congressman, came out the winner.

The complete county Republican ticket carried in Will county and Mrs. Lottie Holman O'Neill was the successful Republican candidate for state senator. DuPage county's landslide gave her the plurality over her Democratic opponent Sam Perry.

To the winners have been accorded the honor and praise, but also the Republican winners have been given a great responsibility. Their voters are looking to them to make a start in saving our country from ruin and to stop the down-hill skid, and to them also should be accorded the prayers of all for the wisdom and strength which they, and all candidates on both tickets, will need.

The Woman's missionary society of the Full Gospel church met November 1 in the home of Mrs. Adeline Woodman. After the short business meeting, cookies were packed into boxes for a service boy. Devotions were led by Mrs. Woodman. Refreshments were served by the hostess. The next meeting will be November 15 in the home of Mrs. Inez Keagle.

Mr. and Mrs. Lee Henry, Mr. and Mrs. Harry Taylor and Mr. and Mrs. Charles Lamb and son Eddie of Lafayette, Ind., were guests Sunday of Mr. and Mrs. U. L. Henry and family.

Mr. and Mrs. Victor Dolan attended the Michigan-Illinois game, at Ann Arbor, Mich. Saturday. They were weekend guests of Mr. and Mrs. Jim Reed.

Miss Dorothy Techman entertained in her home last Thursday night at a miscellaneous shower honoring Mrs. Haroll Stockley, the former Miss Pat Dolesek. Bunco was played and prizes were won by Miss Violet Milicevic, Mrs. Robert Wysock and Mrs. Marvin Tillburg. Duplicate prizes were awarded the guest of honor. Various colored streamers decorated the room tied to a sprinkling can, and many lovely gifts for the new bride were tied to the many streamers. Refreshments were served buffet style from an attractive dining table covered with lace, and centered with a large decorated shower cake.

Guests were: Miss Milicevic, Mrs. Tillburg and Susan and Judy Tillburg of Chicago; Miss Barbara Marshall of Joliet; Miss Arlene Zaloudek of Marley; Mesdames Robert Stockley, Frank Dolshek, Harvey Frick, William Collatz, Dale Drake, Robert Wysock, Mardel Schneider Roy Garman, Earl Robinson, Pusch, Sablotney, Edward Osmus, Gaylord Mangun, Fern Brown, Marion Taylor, Dolores Huttehoff, and the misses Carol Stockley, Francine Dolshek, Ruth Ann Barnes, Dolores Rinman, Frances Cruise, Mildred Bolker and Nancy Martin all of New Lenox.

Services of the Full Gospel Church are held at the Boy Scout cabin each Sunday morning from 9:30 until 11:30. Evening services from 7:30 until 9:30, and Friday evening services are held at the home of Rev. Gilbert Woodman, pastor.

Troop 97 enjoyed a hike to the woods for their regular meeting Friday. Warm-up games were played and a nose-bag lunch was enjoyed. Nature material was collected by the girls to be added to the museum they have started. Leaders assisting were, Mrs. Fred Feil, Mrs. George Vally and Mrs. O. V. Rowe.

Troop 100 entertained at a Halloween party in the Haven Avenue school Monday instead of on their regular date, Wednesday. All came in costume. Guests were the members of the fifth grade girls intermediate troop. Games were played and they had a grand march. Refreshments were served by the leaders Mrs. Beulah Erickson and Mrs. Hazel Rowsell. Christine Duffy was appointed hostess for this week's meeting.

Second grade girls met Tuesday afternoon in the Haven school. Betty Kirk and Becky Sheeler had charge of the table decorations for the Halloween party and Donna Neilsman served refreshments. Outdoor games were played and Donna Neilsman won the prize for the prettiest costume in their Halloween march. Mary Lou Schroman was awarded the prize when the girls ducked for apples.

Burning Trash Is Wasting Fertilizer

You wouldn't think of leaving a bag of nitrogen fertilizer out in the rain to be wasted, would you?

Well, you're wasting nitrogen just as badly when you burn straw, cornstalks or cobs, soybean trash, clover, or even weeds, according to L. B. Miller, University of Illinois soils man.

Burning one ton of cornstalks wastes as much nitrogen as there is in 15-18 bushels of corn. It's especially wasteful to burn legume trash, because it is rich in nitrogen. And on most soils repeated burnings reduce the yields. In fact the poorer the soil, the greater is your gain from plowing under crop residues.

Besides, burning is a poor way to kill weed seeds or insects; instead it sometimes kills or seriously injures legume seedlings. To top off all these drawbacks, the extra work of burning trash is often more than the work needed to cut this same trash for plowing under. Save that trash, urges Miller. Don't burn up soil fertility.

Interflowing Life

Lesson for November 12, 1950

AN AUSTRALIAN minister once remarked: "If ever a church could be found whose members treated one another better than people treat one another on the outside, the world would flock to its doors." In that exaggerated remark there is a pointed truth. As a matter of fact, that was the case in the early church and the world did flock to its doors. From six score people that church grew to 5,000 in no time, and in less than three centuries it was the religion of a world-empire.

This Scrambling World
ON THE "outside" what is the rule? David Harum put it in a nutshell: "Do unto your neighbor what he would like to do to you." "Every man for himself and the devil take the hindmost." "Every man has his price." "Look out for Number 1." "Blessed is he that tooteth his own horn, for he that tooteth not his own horn, the same shall not be tooted."

People get tired of living in a world like that. Something tells them that the everlasting scramble is not the way to live, there must be a better way. Suppose they could look down the street and see that better way actually being put into practice by a little community of people?

They ought to be able to see it wherever there is a Christian church. But—is the average church that kind of community? Do the members treat one another (on Mondays, that is) with more understanding, consideration and affection than the local atheists or Non-Ingarians show toward one another? Indeed, is there anything whatever that seems to link these First What-is Church people together with a common bond?

Making Fellowship Real
IN A large city there will be a page or more of Smiths in the telephone directory. These all have the same name, but most of them don't know one another and don't care. Too often it is this way with Christians even in the same congregation. They all bear the same name, but that is about all.

What they ought to have is fellowship. This is not a mere word. It can be a real thing. It is like a two-way blood transfusion, in the realm of personality. It is interflow of life. It can be the source of the Christian's finest growth and service. Musicians develop musically through sharing with other musicians. Every "Future Farmer of America" is going to be a better and more enthusiastic farmer through his associations with the F.F.A.

So our Christian faith and life are kept glowing and growing through the fellowship of like-minded persons. One thing your Sunday school class, and indeed the whole congregation, may well consider seriously, even adopting it as your Project for the Year is this: What can we do to make fellowship more real in our church?

Wider Horizons

CHRISTIAN fellowship needs not only to be enriched; it needs to be enlarged. In a town or section where denominational lines run sharply across the population, there is too much cross-fire. Such a community has a hard time being a community. Many a denomination has been afflicted with the disease of pride. Loyalty to one's own denomination too easily replaces loyalty to the kingdom of God.

Whatever be your own church connection, there are unnumbered true Christians outside the bounds of your church. Do you know them? Do you worship with them from time to time? Do you encourage visitors from other churches? Not only in other denominations but across lines of race and color you can find a thrill in coming close to Christians who may even be much better Christians than yourself.

Young people in your church may be interested in a new organization which is interested in bringing together the thinking of young people in every land. Young Christians can bring to such a project the insight and the spirit of Christian Faith, and learn to know young Christians in other lands than ours. "Youth of All Nations" at 16 St. Luke's Place, New York 14, N. Y. serves as a clearing-house for the exchange of letters and will be glad to hear from you.

Brewing Industry Buys Million More Lbs. Grain This Year

The nation's farmers sold the brewing industry of the United States a million more pounds of grain and grain products during the fiscal year ended June 30, 1950 than in the previous year despite a 2 percent drop in beer distribution, according to a report issued today by the U. S. Brewers Foundation.

The beer industry purchased 3,891,761,336 pounds of malt, corn, rice, wheat, barley and sorghum from agricultural areas of the country compared to 3,890,760,573 pounds of the same grain products a year ago. Over 196 million pounds of other agricultural materials, mainly corn, sugar and hops, were also used in the production of beer and ale.

The 407 breweries of the country used 2,707,240,886 pounds of malt: 852,074,810 pounds of corn; 320,830,068 pounds of rice; 7,284,480 pounds of wheat; 3,701,700 pounds of barley and 629,392 pounds of sorghum grain.

These agricultural products went into the production of 88,807,075 barrels of malt beverages of which 84,202,618 barrels were distributed. This volume represented, at \$8.00 a barrel tax, a Federal government revenue of \$673,620,944. Not included are beer revenues to states where taxes range from a rate of 62 cents a barrel up to more than \$17.00.

According to Mr. E. V. Lahey, president of the U. S. Brewers Foundation, the value of the agricultural products purchased each year by the brewing industry, amounts to approximately 300 million dollars.

Armistice Day services will be planned at a special meeting November 9 of the Auxiliary of VFW Post 9545 at the Vets hall on South Cedar road.

The Woman's League of Trinity Lutheran church met Tuesday, October 31. The meeting opened with

prayer led by Rev. Leonard Reinke who later introduced the guest speaker, Mr. Martin Duensing, who spoke on Christian Secondary Education. There was a discussion on the turkey supper to be held Thursday, November 9. Canned goods and produce that is to be donated for the food shower being given for the Lutheran children's home at Addison, can be left in the church kitchen from November 12 to 19. Mrs. Louis Hoffman and Mrs. Ernest Rydberg served refreshments. Mr. and Mrs. Ceward Batson are the proud parents of a son born

October 30 in Silver Cross hospital. Mrs. Batson and her new son, Robert Carl returned home Sunday morning.

Little Lynn Ann Schroeder returned home with her grandparents Mr. and Mrs. A. W. Walsh last will remain until Thanksgiving.

Miss Rachael Hofer, who will be married on Thanksgiving evening to William Bruns, was the honored guest at a miscellaneous shower given Thursday night, November 2 in the Herbert Bruns home. Hostesses for the party were Mrs. Robert Paulson and Mrs. Carl

Meitsner. Bingo was played and prizes were awarded to Miss Dolores Maske and Mrs. Omar Myer. Duplicate prizes were given the guest of honor, as well as many lovely and useful gifts. Miss Hofer was also presented a corsage of white carnations and baby mums from the hostesses. Refreshments were served after the games from an attractive table covered with a lace cloth and centered with two heart shaped cakes bearing the names of "Rachael" and "Bill." White candles in crystal candelabra decorated either end of the table.

The lecture given last Thursday night in the Haven school by Miss Nancy Washam, of the State Conservation department, was given in place of the usual monthly meeting of the local Garden club. After the lecture refreshments were served by the members of the executive board.

Mr. and Mrs. Joseph Johnson and children Jacque, Ardis and Joey of Lockport were guests Saturday evening of Mr. and Mrs. Len Anderson.

Care of Blankets For Most Service

Woolen blankets stay warmer and wear longer when you keep them clean and fluffy. They are made with a multitude of tiny air cells; and when the nap becomes matted or very soiled, the insulating quality is lost and the warmth of the blanket is lessened.

Frequent laundering and dry cleaning are hard on blankets. The

best plan is to keep them from becoming badly soiled, says home management specialist Gladys Ward, of the University of Illinois College of Agriculture.

As a protection from perspiration and body oils, turn the top sheet back over the blanket from nine to twelve inches. For double protection, sew a strip of cotton cloth across the top of the blanket in addition to turning back the top sheet. Sometimes a third sheet or a wide strip of cotton material, is used over the entire top of the blanket. This catches any soil that may blow in during the night.

Throwing the covers back for an airing before the bed is made allows the stale odors to be carried away and gives the crushed blanket fibers a chance to spring back into shape.

When a blanket has become soiled, follow the manufacturer's guides for laundering and dry cleaning. Informative labels are made after careful laboratory tests, and can be relied upon completely. The beauty and value of a blanket can never be restored once it has been

lost through improper laundering. Another precaution for a longer life from your blanket is to place it on the bed so that it will receive the least amount of pulling and strain—high enough to cover the shoulders and down far enough to keep the feet tucked in.

Spring Plowing Best States Beecher Man

Spring plowing is a better soil management practice than fall plowing, according to Clarence Haseman, member of the Southeast Washington Soil Conservation group, near Beecher.

The added vegetable growth made during early spring, following a year or two of meadow, is in itself sufficient recompense for waited

ing to spring plow, rather than fall plowing, says Mr. Haseman. It's additional vegetative matter that will give added organic matter to improve soil tilth, says Haseman. More water absorption and erosion control are other advantages of the spring plowing practice. When the surface of the ground is covered with a turf of legumes and grasses, the rain drops will be cushioned, and thereby greater percentages of the rainfall be absorbed by the ground than if the sur-

face of the soil was bare. Added water conservation means a greater reservoir of water for crop production.

Erosion control is afforded by the covering of meadow crops by acting as a pavement for water to pass safely down the slope in excessive rains when even the soil with good tilth becomes saturated.

Other Southeast Washington conservation farmers who are advocates of spring plowing are William Herlitz and William Nissen.

Clarence Haseman farmed 105 acres with his father, Henry Haseman, who passed away during the last year. Haseman realizes that the spring plowing practice crowds the spring seeding operations, but believes that farmers can have a little extra power just to make spring plowing more convenient. Haseman doesn't recommend purchasing a new tractor just for this purpose, since a usable tractor will suffice.

free every day, including Sundays and holidays, from 8 a.m. to 10 p.m., the evening hours permitting employed persons to view the display.

The Park District Mum Show is famous throughout the nation. It is one of the largest and most spectacular displays of this flower which varies in size from the half inch button type to the popular large-flowering type - 8 inches or more in diameter; it is grown in almost every color except blue. More than 18,000 plants have been grown in park greenhouses for the show. The Park District's mum collection is one of the largest in America, numbering over 800 varieties.

The setting for the show at Garfield Park will be an informal garden with winding paths, cascade festooned arbor, tea house and swinging garden gate. In the Show Room the design will be an old-fashioned garden with colorful mass arrangements at each end of the room.

At Lincoln Park the show will be arranged in modern formal design with some unusual modernistic touches of strong color contrast.

The exhibits will feature single stem chrysanthemums up to 8 feet tall tree-like varieties, huge specimen plants bearing several hundred flowers, pompoms, caprice and spidery mums.

Attendance at the two exhibits is expected to run well over 300,000. Guide service will again be furnished for groups if advance arrangements with either conservatory are made.

Rufe's Ramblings

By RUFÉ PICKETT

For over half a century Fred Moon has run a general store in the upper edge of Moore county. One day I had just dropped in for a Coca Cola when a couple of fellows drove up and inquired the way to the Devil's Tramping Ground. During the years Mr. Moon has directed thousands of people to that famous circle and thought nothing of it, but what made such an impression this time was on account of the car they were driving. He and I were still talking about it when an old man came along in a buggy being pulled by a mule. We told him about the two strangers passing and that doubtless they would come back the same way they had gone and for him to look out for them. With that he started unhitching right then and there and led his mule over into a fence corner. He had just got between the shafts of his buggy to pull it out of the road when he heard the honking of a horn and saw that automobile was right close upon him.

When a man bites a dog it's news, provided of course that it happened at the right place and right time. Now take this little reptile of mine for instance. Had it happened only recently there is no doubt but that it would have appeared in every paper north of the Mason and Dixon line under such a caption as, "Three Men and a Mule See Automobile for First Time," and being sure to tell in what part of the South the men and mule lived. But since the incident of which I have tried to tell actually took place back in the year 1905, what might have been front page stuff becomes just another of my Ramblings. But honestly, as long as I live I will never forget the expression on that mule's face as he stood there and watched the old man pulling, and especially after the old feller got so scared up on seeing an automobile for the first time that he tore his own buggy all to pieces when he ran away down through the woods.

—Rufe Pickett, the Flagman on the 5.28 express, LaSalle Street Station.

38th Chrysanthemum Show at Garfield and Lincoln Parks to Dec.

The 38th Annual Chrysanthemum Show of the Chicago Park District which opened November 4, will extend through Sunday, December 3, at both Garfield and Lincoln Park conservatories. According to William C. Blasius, Park District chief horticulturist, the opening date was advanced one week because the unseasonable weather has brought the mums into bloom earlier than anticipated. The conservatories will be open

Advantage Of Contour Farming

Guide lines for contour farming to save water and top soil were laid out last Wednesday on a 100 acre field by West Monee Soil Conservation group members on the Thompson Farms operated by Pat Goffard at Monee, reports Art Kelley, Farm Planner for the U. S. Soil Conservation Service.

Lyman Martin, who operates a Farm Management Service at Elkhorn, Wis. is now managing the Thompson farms. Martin, a strong believer in making the farm pay in the future, as well as the present, is convinced that contour farming as well as other conservation practices, is profitable. The West Monee conservation farmers were assisted by Martin and Art Kelley in third meeting of the West Monee locating and marking out the level lines for contour farming.

The gently sloping 100 acre field of Thompson was surveyed by using peep-site hand levels to locate the level lines. The guide lines were staked out as they were established and marked out with the plow later in the day.

Kelley states that on sloping fields, both water and top soil are saved by contour farming. Every trench or ridge made on the field by the various farm implements acts as a miniature dam to hold the rain water where it falls. If water is held on the gently sloping fields, from ridge to ridge, there is no loss of top soil caused from water erosion. Water erosion is much more serious to Will County than wind erosion, says Kelley.

In addition to contour to hold the water, Farm Manager Martin and Pat Goffard plan to use a crop rotation that will provide the soil with good tilth, nitrogen and controlling sheet erosion.

A crop sequence of two years of alfalfa, brome grass, and ladino clover, followed by one year of corn and one year of oats will be the rotation used to furnish an abundance of nutritious feed to produce profitable gains to the Thompson's feeder cattle enterprise.

To offset the inconvenience of

short rows experienced in contouring most fields, Pat Goffard will have rounds over one and one-half miles in length to ease his field operations.

The contouring meeting was the

group. At a later meeting, the group members will be provided with a soil capability map of their land which will offer suggestions as to the proper use of the land to keep it permanently productive.

CHEVROLET TRUCKS

with Chevrolet's Hypoid Rear Axle

Chevrolet trucks are engineered to "take it," in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength . . . with single-unit housings formed into tubular steel beams, and splined axle-to-hub connections that deliver power more evenly. Gears last longer, too . . . pinion gear is ball-bearing supported at each end, with adjustable thrust pad to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. Come see these great Chevrolet trucks today!

THURSDAY, NOVEMBER 9

"Your gold and silver is cankered; and the rust of them shall be a witness against you." (James 5:3.) Read James 5:1-9.

Rust has been for centuries one of the most destructive forces in the world. The destruction caused by rust costs the world annually an astounding sum.

We have all had first-hand experience with rust. You have seen it perhaps when spading the garden. You find an old knife, lost long ago, now falling apart—red with rust—useless. Once it was your shining knife, but now use-

less. Lost, buried, it had fallen prey to rust.

James writes vigorously against the spirit and action of those "rich men" who seek gold and silver and heap them together. These riches are corrupted because by fraud they have been kept back from the laborers who reaped the fields. They are not made available for use by those laborers. "Your gold and your silver is cankered," James writes; "and the rust of them shall be a witness against you."

PRAYER
Dear Father, we pray that we may be kept useful in Thy service. May Thy love so warm our hearts that none of the coldness of indifference may settle upon us. May we spend and be spent for Thee. In Jesus' name. Amen.

THOUGHT FOR THE DAY
"It is better to wear out than to rust out."

Mrs. John P. Sinclair (Kansas)
